The Department of Human Services (DHS), Benefit, Employment and Support Services Division (BESSD) has begun accepting applications for the 2022-2023 Preschool Open Doors (POD) program. **This application period is July 1, 2022 to July 29, 2022.**

Children born between August 1, 2017 and July 31, 2018 are eligible to apply for the 2022-2023 POD year. Income eligibility limits apply (see below).

The POD program helps eligible Hawaii families pay preschool fees for up to one year during the year prior to kindergarten entry. Priority enrollment goes to underserved or at-risk children whose families complete the POD Special Populations Referral form. The DHS 913A POD form is included in the POD application packet.

To be considered for the 2022-2023 POD year, **the POD office must receive your application by the July 29, 2022 deadline.** Applications post-marked, but not received by July 29, 2022, will not be considered.

Submitting an application does not guarantee acceptance into the POD program. The POD office will mail applicants notification of their application status, no later than August 30, 2022. Depending on your child's preschool start date, POD assistance may cover enrollment from September 1, 2022 through June 30, 2023.

If your family is selected, upon receipt of all required POD enrollment documents, including your selection of the preschool that meets your child's needs, your child will be enrolled. If you are not selected for the POD program, your application may be placed on a waiting list. These wait-listed applicants may be selected for future POD participation if funds become available.

The DHS administers the POD program. For more information about POD, call (808) 791-2130 on Oahu, or toll-free from the neighbor islands at (800) 746-5620.
